## Professional Summary

Highly motivated, energetic and experienced guitar player and teacher. Excellent knowledge of the instrument in different styles, mainly acoustic and electric.

Outstanding ability in creating new and original sounds, adapting and developing any sort of melodies.

Excellent experience as freelance musician in pop and alternative scenes, both live and studio performance.

Very acute producer and arranger, open-minded and equipped with a wide knowledge of music culture. Capable and confident to use different music software.

Charismatic teacher for kids and teenagers, broad experience as educator, with innate ability to develop their skills and their understanding of the subject music at all levels.

Focused on supporting the pupils' talent and passion by encouraging them to the highest standards of professionalism and commitment to music.

## Skills

Very professional musician, technically and emotionally prepared, ready to manage the pressure of live or recording performance and to put his creativity and passion on work.

He has a very large experience in different genres and a very good knowledge of all the guitar equipment.

He is very punctual and accommodating on work, capable and open to work on team, and very collaborated.

Really focused, passionate, determined to obtain results and especially organized on it.

Comfortable on work trips, is cordial, friendly and particularly kind.
